Your address history

You need to tell us your addresses for the full five years before the first day of the first academic year of your course.

You also need to send in evidence to confirm each address you give us. You must send original documents. The dates shown on the evidence you send for each address must cover the whole time you lived there.

Example

If you lived at an address from January 2013 to June 2014, you could send us your 2013/14 and 2014/15 council tax bills as these would show that you were living at that address for the whole time you've told us about on the form.
