About this form

Complete this form to tell us about your actual household financial commitments between **1 September 2016** and **31 August 2017**.

Section 1 - your actual household financial commitments

Complete the table below to tell us the monthly amounts for each of your household financial commitments. **n**

n Only include financial commitments that were already being paid before the start of the academic year of your first year of study. You should not include payments you started making after this. For example, if you started your first year of study on 10 September 2016 and you took out a life insurance policy on 3 October 2016 you should not include the payments towards that policy.

n Don't include utility bills as a financial commitment, for example, TV licence, mobile phone bills, gas bills, electric bills etc.
